Ron---Gerry just sent me updated numbers...we've sampled 61 homes...no big deal, I can correct it in the fact sheet once we hear back from Betsaida. Thanks.

Betsaida: attached is the revised Fact Sheet - it is pretty straight forward. It's just to give the residents a heads up that we will be coming out over the next several weeks in the order of sampling to provide them their data. For it to be useful, we should get it in the mail tomorrow, so any comments you may have, please get to me by noon.
